Company Name: Leisure Power

**Description: We at Leisurepower Ltd. are well established specialists in audio/visual and power systems. Our key personnel have a wealth of knowledge and expertise spanning decades. In addition to our technical background we have years of camping and caravanning experience to draw on. You may be assured of our friendly and professional manner. By prior arrangement a full indoor fitting service for solar panels and both automatic and manual satellite systems is available.

We also stock a wide range of related products. Whatever your needs you're more than welcome to visit our showroom in person or alternatively we can advise you by telephone and supply goods by insured carrier. We are distributors for Shell, Solar Solutions, Road Pro and dealers for Durite, Oyster, Van Bitz and many other leading manufacturers. We pride ourselves in offering a first class service and would welcome suggestions on how we may further improve our services. We look forward to welcoming you as a customer and thank you for your enquiry.

Centrally located near the M6 / M62 interchange our modern workshop has easy access with a large concrete forecourt providing adequate parking for the largest of motorhomes. Overnight hard standings with free mains hook-up are available on request for customers wishing to stay over prior or subsequent to an installation.**
