

Listing ID: 9

Company Name: Brown Power

**Description: For the past nine years Brownpower have been major distributors of Generators, Pressure Washers, Industrial Engines and Spare Parts . With the recent acquisition of Nottingham based Phoenix Power & Equipment, we are now one of the UK's leading suppliers of portable generators into many industries including Hire, Construction, Liesure, Proffesional, Specialist Vehicle and Corporate.

As major distributors for Honda, Kawasaki, Yamaha, Robin and Electrolux generators and manufacturers of generators not offered by the above companies, we can supply to almost any specification required from our customers.**
